

Dear Parents and carers,

We are delighted to let you know that our Hive children will be going to Bridgemary Library. This is a wonderful opportunity for them to explore a range of books and join Rhyme Time in a library setting, whilst enjoying a trip outside of nursery.

Since starting this each year has been a great success with parent/carers support in the transition to the library.

Each family group will visit, with their key persons on the time set out below. If your child is in nursery on their selected morning, they will automatically be included in the trip. If your child is not in nursery, we would love for them to join us too, however they **MUST** be accompanied by an adult from home as a volunteer. If your child is in nursery and you would like to come along too, that would be hugely appreciated as without parent volunteers we will be unable to make the trips. Unfortunately, we will be unable to accommodate any siblings with parent volunteers.

Please let your child's key person know if they are able to attend and if you are able to volunteer to walk with us. We will be leaving nursery at around 9.30am and aim to return by 11.15am.

Date	Family Group	Key People
Tuesday 13 th January	Caterpillar	Charley, Joe & Rosy
Tuesday 20 th January	Butterfly	Chloe & Liselle
Tuesday 27 th January	Hedgehog	Pauline & Lily
Tuesday 3 rd February	Rabbit	Lilly & Owen
Tuesday 10 th February	Ladybird	Elaine, Clare, Michelle & Leysha
Tuesday 24 th February	Fox	Charlotte & Julie
Tuesday 3 rd March	Squirrel	Jade, Clara & Zoe
Tuesday 10 th March	Frog	Mya & Michelle

Please note if your child has permission for local trips within their consent form, this will ensure they are able to attend the trip. If they do not, the key person will contact you to ensure permission is sought. **Without permission your child will not attend the trip.** If it is their usual nursery day, they will remain at nursery having fun with other children and adults.

If you have any questions please do not hesitate to ask.

Many thanks,
The Hive Team
